Invitation to join the Walhalla High School
School Improvement Council

Please consider getting involved in the School Improvement Council (SIC) at Walhalla High School (WHS). All parents and guardians of rising 9th graders are invited to make nominations. This is a great way to be a part of your child's educational experience and work with administrators, community members, students and other parents to make a difference at WHS.

SIC members make a two-year commitment, meet once a month and participate on special committees to help WHS meet their school improvement goals. If you would like to nominate yourself or someone you know, please complete this form and return it to the WHS administrative office by March 30th, 2018.

All nominees will be contacted to confirm their acceptance of the nomination. Nominees will be asked to write a brief statement about themselves and why they want to serve on SIC. If you have additional questions, please contact one of the SIC members listed below:
